# GREETINGS FROM CAPTAIN NOAH AND JANE BARNES

2025 will mark the schooner *Stephen Taber's* 154th season! Noah has sailed the *Taber* for three decades now and immensely enjoys maintaining and sailing this magnificent National Landmark. We couldn't imagine doing anything more gratifying than taking new friends sailing and being their guides to the incredible natural beauty of Penobscot Bay. Each trip is like a week-long dinner party at sea – great sailing with bountiful food, friends, and laughter. Every day ends with a white and red wine served along with a selection of the world's finest cheeses and charcuterie with traditional accompaniments. All this before an amazing dinner!

Here are a few points that make us special:

- ✦ The oldest sailing vessel in continuous service in the United States, and a National Historic Landmark.
- ✦ Huge percentage of repeat guests. Once you've sailed on the *Taber*, chances are you'll want to come back!
- ✦ Overall length is 110 feet. Length on deck is 68 feet, with a 22 1/2 foot beam. The *Taber* is a very comfortable ride, and provides ample deck space. Seasickness is rare.
- ✦ On the *Taber* wine is served with dinner every night.
- ✦ The *Stephen Taber* has been in the Barnes Family for 45 years. Your host, Captain Noah Barnes, began sailing on the *Taber* at age six, and delights in sharing his intimate knowledge of the Maine Coast. All cruises are OWNER-CAPTAINED.
- ✦ The *Taber* is justifiably famous for our cuisine; our talented galley staff delights in providing guests with a beautifully prepared and presented series of delightful meals, and have been featured over the years in cookbooks, national broadcast and print media.
- ✦ The *Taber* is a centerboard schooner. Our shallow draft allows us access to some of the most secluded and beautiful anchorages.
- ✦ We are a non-smoking vessel.
- ✦ She's known as the "**Good Luck Vessel**" of the fleet.
- ✦ If we don't have room, we will take time to help you find a cabin on another vessel.

We both have an abiding love for the beauty and history of this area, and hope to see you out on the bay this summer.

NOAH & Jane
