Charters & Special Trips

While we feel that every trip is special on the J. & E. Riggin, we offer some with a special focus.

Charters

Schedule a charter for your family, school, class reunion, professional retreat, team building workshop, Boy/Girl Scout expedition, writer's workshop, birthday, anniversary, wedding celebration, or vow renewals. Our charters are customizable to your needs and can include a theme such as wellness, knitting, photography, lighthouses, astronomy, music, or cooking.

Maine Lighthouses & Lobsters™

We've taken three iconic images of Maine – windjammers, lighthouses & lobsters – and combined them into a unique vacation experience.

Craft & Sail Trips

Join in on one of our many trips that feature local artists like musicians Geoff Kauffman, Bennett Konesni, and the Gawler Family Band, or Maine Knitting Cruises with instructors like Margaret Radcliffe & Kim Hamlin. Photography, mixology, and rug hooking retreats are also available.

Maine Windjammer Fleet Events

Join us for the following fleet events where we will have an opportunity to “raft up” with other Maine Windjammers. Most of the vessels participate in: *Windjammer Rendezvous*, *The Great Schooner Race*, *Camden Windjammer Days*, and *Wooden Boat Week*.
